Sir:

The Notice of Allowance dated September 17, 2007 for the above-identified application indicates that the certified copy of the priority document has not been received. However, the image file wrapper in the PTO's PAIR system indicates that a "Certified Copy of the Foreign Priority Application" was entered into the application file on April 6, 2005. Further, upon clicking the link to the "Certified Copy of the Foreign Priority Application," a copy of an English language translation of the priority document is displayed. Submitted herewith are copies of the image file wrapper page from the PAIR system and the English translation of the priority document, which should satisfy the requirement for the certified copy of the priority document. As a result, acknowledgement that the claim for foreign priority has been perfected is respectfully requested.

Respectfully submitted,

Roger HANSEN
